RULE 6750
GUIDELINES FOR STUDENT CONTESTS

1. School personnel may announce and encourage participation in only such contests and competitions as have been approved by the Superintendent/designee.
2. Requests for approval of contests should be presented in written form to the Superintendent /designee and should contain information including sponsorship, eligibility, rules, and purpose.
3. Requests for approval of contests with commercial sponsorship will be denied unless the educational benefits to students are sufficient to justify their participation. At the secondary level, approval of contests with commercial sponsorship generally will be restricted to those which have received approval and which are included in the published lists of the National Association of Secondary School Principals.
4. Requests for approval of any contest which limit eligibility on any basis other than age or grade level will not be approved.
5. Continuing student participation in such contests previously approved shall be subject to periodic review.
6. Participation in contests in the name of the school shall be only upon approval of the principal of the school.
